

## BEACH AND NATURE CLUB PROJECT FACT SHEET

The only exclusive club of its kind in the country, Anvaya Cove Beach and Nature Club redefines leisure by providing varied activities for all members of the family in a setting where the amenities are integrated into the natural landscape. It is at the center of the community, offering multiple alternatives for respite and recreation, pleasure and pampering.

Adding to its uniqueness is its architecture which carries a unified Tropical-Asian theme that blends with its natural surroundings.

Targeted club opening is on the summer of 2007.

### Facilities and Amenities:
